

# Mission Statement

Sligo Grammar School aims to address the academic, intellectual, physical, social, spiritual and cultural aspects of students' growth. This is achievable by

- fostering an understanding of moral, spiritual, religious, social and cultural values
- nurturing a sense of personal identity and self-esteem and a respect for the rights and beliefs of others
- promoting quality and equality for all
- fostering a spirit of self-reliance, innovation, initiative, imagination and participation.
- creating tolerant, caring and politically aware members of society
