

Photography and Images of Children

September 2014

Dear Parent/Guardian,

During your child's time at Sligo Grammar School we may wish to take photographs/videos etc. of activities that involve your child. The photographs may be used for displays, publications such as our School Prospectus, Magazine, videos of the School productions, events, our website or by local newspapers.

When filming or photography is carried out by the news media, pupils will only be named if there is a particular reason to do so (e.g. they have won a prize), and home addresses will never be given out. Images that might cause embarrassment or distress will not be used nor will images be associated with material on sensitive issues.

Before taking any photographs of your child we need your permission. **If you do not wish your child to be photographed please complete and return this Form** to the School Office. If the Form is not completed and returned we will assume that you consent to your child's photograph being taken in the above circumstances.

I do not consent to my child (ren) being photographed.

Sligo Grammar School will do everything possible to stop photographs being taken however the onus must be on the student. If your son/daughter is not to be photographed please advise them to (a) remove themselves when images are being taken (b) advise photographers, etc. of their unwillingness to be photographed/filmed.
