SCHOOL EXAMINATIONS

Dear Parent/Guardian

During the school examinations students are not permitted to leave the school during the school day and will be provided with the opportunity to study within the examination hall.

Day pupils who wish to study at home because they don't have an examination in the morning or afternoon, will only be permitted to do so with the return of the attached parental consent form. Sign in and out as usual through the front office.

Boarders in forms 1, 2 and 3 who don't have an exam must remain in the exam hall to study.

The school examinations reflect the State Examinations and as such the rules and regulations pertaining to State Examinations will be replicated within the Examination Hall. This is designed to prepare students for the expectations placed on them during externally modulated examinations.

The following arrangements will apply:

- Pupils must be in full school uniform.
- Pupils must not leave the Examination Hall prior to the scheduled completion time of the examinations. If a student has completed the examination prior to the official end of the exam they should proof read their paper (a single mark can make the difference between grades).
- All books, mobile phones etc. must be stored away from the candidates seating area during the examination.
- A student found cheating will have their paper marked invalid.
- Students wishing to study at home must complete the attached form signed by their parents or guardians on the first day of the examinations. Boarders in forms 1, 2 and 3 who don't have an exam must remain in the exam hall to study.

I wish all students every success in their examinations.

Yours sincerely

Michael Hall
