

ADMINISTRATION OF MEDICATION POLICY

Introduction

While the Board of Management has a duty to safeguard the health and safety of pupils when they are engaged in authorised school activities, this does not imply a duty upon teaching or administrative staff to personally undertake the administration of medication.

The Board of Management requests parents to ensure that staff members are made aware in writing of any medical condition suffered by their child. This information should be provided at enrolment or at the development of any medical conditions at a later date.

Medication in this policy refers to medicines, tablets and sprays administered by mouth and automatic injection devices (eg. anapen) used in cases of anaphylaxis.

Policy Content
