## Soundtracks Easter Rehearsal Schedule

Preparations are underway for our forthcoming production, 'Soundtracks', running in the Hawks Well Theatre 12th-13th May.

I spoke with your son/daughter this week and they are aware that they are involved in rehearsals on either Thursday, April 24<sup>th</sup> or Friday, April 25<sup>th</sup> - (some may be in on both days depending on what songs they are involved in).

I would be grateful if you would accommodate their attendance at these rehearsals.

The school will be open from 10.30 a.m. - 4.00 p.m. on these two days. If the students could be in as close to 10.30 a.m. as possible that would be great, I am aware that some are coming in a little later due to travel or other commitments.

Some may be finished early, and they are then free to go home or to continue practising in school.

Hope to see all involved over the 2 days.

I will be uncontactable from Monday 14<sup>th</sup> to Wednesday 23<sup>rd</sup>.

Thank you in advance for your support.

Keith O'Donnell.
