The Parents Association is Back!

We're thrilled to announce that the Parents Association (PA) is back in action! After a period of quiet, we've had two productive meetings this autumn and are brimming with energy as we plan for the year ahead. Currently, the PA is made up of 9 parents, and we would love to see this group grow. Whether you're a seasoned participant or brand-new to the idea, your involvement can make a real difference. Join us for our next meeting on January 7th — we'd be delighted to welcome you!

The PA's first event of the new year will be **Mock Interviews for 5th and 6th Year Students**. This has been a hugely successful initiative in the past, offering students invaluable opportunities to engage with professionals in fields they aspire to join. These sessions help students gain confidence, sharpen their interview skills, and receive expert guidance.

It's a prime example of how the PA can enhance the student experience. Mock interview date for 6th years is set for the 27th of February, and for 5th years on the 4th of March. More information about the Mock Interviews will be shared in the early new year.

Parents Associations play a vital role in building bridges between families, students, and the school community. By contributing your time and talents, you're not only enriching your child's education but also helping shape opportunities for all students.

We hope to see you at our next meeting or an event soon. Let's make next year one of meaningful collaboration and shared success!

We wish you all a happy and peaceful Christmas!
